

BARTY HOUSE

A CANFORD HEALTHCARE HOME

CARING WITH DIGNITY AND RESPECT

New Development of 27 Luxury Rooms *Opening Summer 2009*

Barty House Nursing Home, a Canford Healthcare Home, is undergoing an extension to provide 27 luxury ground-floor rooms, all with en suite WC and shower facilities, some of which will open out onto secluded gardens. The extension will also have a new kitchen, dining room, laundry, entrance, reception and administration area.

The grand Georgian-style main building will be sympathetically refurbished and modernised with the addition of a new lift. The gardens will also be carefully landscaped offering a quiet haven for residents and their visitors.

Barty House is an imposing property with far reaching views across open countryside. Situated in the heart of the picturesque village of Bearsted, the house is only a few minutes walk from the famous cricket green with shops and a train station close by.

The Hallmarks of a Canford Home are:

- Nursing care of the highest standard delivered with kindness and understanding
- A strong emphasis on staff training
- Recognition that varied and relevant activities significantly enhance the experience of being in a Canford Home
- A special emphasis on quality food with input from nutritionists offering variety and choice
- Equipped with the latest specification electronically controlled profiling beds
- A company that really cares and goes the extra mile.

If you have any questions about Barty House and the improvements, or would like to arrange a visit, please call Jacqui Butler on: 01622 737025.
